## Photography Tour to Yellowstone National Park

### What's Inside:

2014 Tour to Yellowstone	1
2014 Calendar Available	2
Spring Classes at DACC	2
Photo Lab Services	3
Photo of the Quarter	4

Castle Geyser

Lower Falls, Grand Canyon of the  
Yellowstone

Old Faithful

Sign up NOW for a photo excursion to Yellowstone National Park. The trip will be June 8 through June 15, 2014. Les Woodrum will lead the group and provide photographic instruction for participants.

Plans include a seven day-six night trip. Hotel accommodations will be in the park for six nights and one night will be spent in Jackson Hole, WY.

Sites will include all the major geyser basins, the Grand Canyon of the Yellowstone, The beautiful Hayden Valley, Yellowstone Lake and Mammoth Hot Springs area. The trip will also spend a day in the Tetons National Park.

Les Woodrum has photographed Yellowstone numerous times beginning in 1988 during the great Yellowstone Forest Fires. There will be opportunities to photograph both on your own and as a group. Nightly critiques and instructional sessions are included.

The price for the Yellowstone Excursion is \$2,500 per person. Price includes class fee, all transportation and lodging. To register for this trip, contact the DACC CC&E department at 217-554-1668 or email [lhensgren@dacc.edu](mailto:lhensgren@dacc.edu)

For more details about the trip, contact Les Woodrum at [lesw@woodrum-media.com](mailto:lesw@woodrum-media.com)

The trip will be limited to 10 participants, so sign up soon to reserve your spot. There will be an informational meeting where you can get all the details on this trip. During this meeting, Les will show you the sites you will see during the trip. Also, equipment needed, and all the details for the trip will be discussed. This informational meeting will be held February 3, 2014 at the DACC Village Mall office starting at 6:00 p.m.

Mammoth Hot Springs

Snake River and the Tetons

## 2014 Leslie A. Woodrum Calendar Still Available

The 2014 Photo Calendar featuring photos by Leslie A. Woodrum is still available. This year's calendar is titled "Illiana Images." The calendar features photos taken within a 100 mile radius of Danville, Illinois.

Photos include pictures from Williamsport, Portland Arch, Starved Rock, Forest Glen County Park, Georgetown area, and other shots around Vermilion County.

The 2014 Calendar is available in a 8½ x 11 wall calendar. Because of the overwhelming success of last year's calendar, I am able to keep the price to \$15.00 for one or \$12.00 each for two or more.

This year, the calendars will only be available for sale by contacting me directly. The calendar is in limited edition and I only have a few left.

To purchase a calendar from Les direct, contact me at home - 1619 N. Bowman, Danville, after 4:00 p.m., call 217-443-4403, or e-mail Les at [lesw@woodrum-media.com](mailto:lesw@woodrum-media.com)

## Spring Photo and Computer Imaging Classes at DACC

There is a full slate of photography, digital imaging, and web page design classes scheduled this semester at Danville Area Community College. All classes are either four weeks or eight weeks in length. All classes are taught at the DACC Village Mall office. Classes start January 14. Read on to see exact class schedule.

## DACC Spring 2014 Classes

### Photography "THE BASICS"

This course of study introduces the student to: The use and handling of 35mm as well as digital cameras; a working knowledge of film

and digital imaging; the basic elements of a photograph; an understanding of lighting, both natural and artificial (flash); basic portrait lighting and posing; and the care, storage, and display of printed photographs as well as digital images.

*Requirements: 35 mm camera and/or digital camera.*

***Class Schedule*** - Thursday nights 6-8:00pm,  
February 13-April 10

*At the DACC Village Mall Office*

### Dreamweaver

Learn how to make a basic website using one of the most powerful web authoring programs available. In this workshop, you will learn how to construct basic web pages, templates and graphics, make links and publish the web site.

***Class Schedule***- Tuesday nights - 6-8:00pm,  
January 14-February 4

*At the DACC Village Mall Office*

### Digital Photography

Traditional film is almost a thing of the past. This workshop will emphasize digital photography techniques, explain digital photography terms, camera operations and settings, basic photo manipulations, and file management of digital images.

***Class Schedule*** - Thursday nights 6-8:00pm,  
January 16-February 6

*At the DACC Village Mall Office*

### PHOTOSHOP

This class will introduce you to the basics of working with Photoshop CS for retouching photographic images. Students will be able to use techniques for selecting images in order to edit and retouch images, and prepare images for inclusion in a website or for printed documents. Students will be able to edit images using the painting tools, clone stamp and drawing

tools, and they will be able to create new images using the pen tool and the drawing and painting tools. Participants will be able to create and edit images using layers and make photo composites and montages.

***Class Schedule-*** Tuesday nights 6-8:00pm,

February 11-March 4

*At the DACC Village Mall Office*

### **Photoshop Elements 8.0**

Photoshop Elements is a program that comes with many new digital cameras and scanners. It can perform many of the functions that the more expensive Photoshop CS5 or CS6 can do, but is more user friendly to amateur artists and photographers. The class will teach how to view and organize, fix, and enhance photos, and produce photo creations and composites.

***Class Schedule -*** Thursday nights - 6-8:00pm,

April 17-May 8

*At the DACC Village Mall Office*

### **PHOTOGRAPHY: "Photo II - Intro to Professional Photography"**

This course of study introduces the student to the basics of studio and commercial photography. Classes will explore photojournalism, studio photography, commercial advertising photography and scenic art photography. Weekly photo assignments and photo critiques are a part of the curriculum. A camera, either digital or film is required.

Prerequisite - Photography I, "The Basics" or permission of the instructor.

***Wednesday nights, 6:00-8:00 p.m.***

***March 12-May 7***

***Classes at DACC Village Mall Office***

To enroll in any of these classes offered through Danville Area Community College, contact the Community Education department at (217) 477-0603 or (217) 443-9114.

Deadline for registration is one day prior to the starting date of each class.

## New Adobe Lightroom Class to be Offered This Spring

Les Woodrum recently completed Adobe certified training in Adobe® Photoshop® Lightroom® 4 software and will offer a class at DACC this spring. Lightroom provides a comprehensive set of digital photography tools, from powerfully simple one-click adjustments to cutting-edge advanced controls. Create images that inspire, inform, and delight. Lightroom is becoming the photographer's choice program in sorting and cataloging their photo collections. Besides cataloging and editing your photos, there are many retouching and photo manipulations that can be performed with this rather inexpensive program.

***Class Schedule -*** Tuesday nights 6-8:00pm,

March 25 through April 15

*At the DACC Village Mall Office*

## Digital and Traditional Darkroom Services

Woodrum-media offers digital darkroom services to produce the highest quality images from your digital files. We can print in sizes up to 24 inches wide. We also produce traditional black and white prints up to 16x20. For current prices, go to <http://www.woodrum-media.com/lab%20brochure.pdf>

## Photo of the Quarter

*Turkey Run - Trail 3*

Those who visit Turkey Run State Park know that trail 3 is the most picturesque three miles in western Indiana. This year, I really wanted to concentrate on pure black and white traditional photography (and the fall colors were not that spectacular). It was a difficult choice, but this is one of the top photos from this fall.

Camera - Bronica SQ-a w/80mm lens - Kodak T-Max 100 film  
Exposure: 8 seconds - f/22 - Negative scanned with Canon 8800F scanner
